Home Visit

Please schedule your home visit by contacting Mr. Ozturkmen at 432.363.6000 or Mozturkmen@harmonytx.org

Harmony Public Schools (HPS) is a Texas-based public charter school system that serves over 35,000 students in kindergarten through 12th grade. As part of HPS engagement process, the school system implemented a home visit program. Its inaugural year was during the 2000-2001 school year. The program continues in HPS today, where training is done during each school's In-service programs for school personnel who will participate in the program. The purpose of the home visit program is to build relationships between the school and the home, informing parents of student specific classroom information, as well as various HPS programs and school events that are available.
